## VETERANS OF GREAT WAR

Preparations for the second annual national convention of the Disabled American Veterans of the World War, which is to be held at San Francisco, June 26 to 30, inclusive, have been started under the auspices of three special committees, according to word received here.

It is expected that between 15,000 and 20,000 members of the organization will attend the convention. The delegates will represent the 800 chapters and 100,000 members. An elaborate entertainment is being worked out. Efforts are being made to have all of the transcontinental railroads give reduced rates to veterans attending the convention.

Officers of Lincoln Post, No. 17, the American Legion, were elected recently, as follows: Commander, Albert E. Haan; senior vice commander, Leon Fraser; junior vice commander, Thomas J. Ahearn; finance officer, John F. Folsom; adjutant, John C. F. Palmer; assistant adjutant, J. F. Brennan; sergeant-at-arms, Francis Kelly; master-at-arms, Tom Gormley; color bearer, Harry W. Chamberlain; chaplain, F. J. Winter; welfare officer, Dr. J. A. Ballard; surgeon, Dr. I. L. Hirschman; historian, C. F. Collins; resolutions committee chairman, E. Hayes; entertainment chairman, E. T. Hitch; membership chairman, Thomas J. Ahearn; ways and means chairman, Leon Fraser.

A valentine dance was given by the Greater Community Post of the National Disabled Soldiers' League at the Arcade last Tuesday night, which was largely attended. National Commander John T. Nolan accompanied the other national officers to the dance. The navy yard orchestra furnished the music. The committee in charge consisted of Wallace Williamson, chairman; Michael J. Muller, James Henderson and Abe Miller.

An amendment providing that the one-cent-per-mile rate be granted all veterans traveling to and from their national conventions or encampments has been introduced to the transportation act by Senator Wesley Jones of Washington. The amendment, if passed, will make permanent the special rate granted the American Legion by the railroads last year. Not more than one convention or encampment may be held per year on which the proposed rate would apply.

National Capital Post, No. 127, Veterans of Foreign Wars, last Sunday held memorial services for the Maine dead at the Keller Memorial Church. The post commander, Rev. Harrison D. Boyer, delivered an address on "The Price of Liberty." At the last meeting the post went on record condemning the Veterans' Bureau in appointing retired regular Army officers to executive positions in the bureau, thereby allowing them to draw salaries from two sources for the same life, thereby increasing the cost of living, but place the tax on luxury and amusements, inheritance and comes. The new rituals have been received and it is contemplated by the commander to have an officers' meeting this week to go over the new ritualistic work of the order.

At the last meeting of the Ladies' Auxiliary, Veterans of Foreign Wars, at Pythian Temple, plans were formed to have a box party at 8 o'clock February 25. The benefit from this party will be used for relief work among the families of veterans who have been discharged. A regular business meeting will be held on that date at 7 o'clock.

Three new members were taken in at the last meeting of the Post, No. 127, Veterans of Foreign Wars, at Pythian Temple. The president appointed Mrs. Bernard Stedman chairman of the publicity committee.

More than 10,000 veterans have come to Washington during the past year to adjust their service claims, according to a conservative estimate by Watson D. Miller, commander of the District of Columbia Department of the American Legion. Something has been done for a great many of these men in the past, but owing to changed conditions, both in the government's methods and in the exchequer of most of the relief organizations, it is not possible to afford extensive relief.

Commander Miller made this statement to a group of twenty former service men who appeared at the headquarters of the American Legion, asking for help, both in money and influence before the Veterans' Bureau.

At a meeting of Equality-Walter Reed Post, Veterans of Foreign Wars, Tuesday night at Pythian Temple, resolutions were adopted requesting the annual convention of the Department of the District, Veterans of Foreign Wars, be held April 11. It was announced delegates to the convention will be elected March 16. It was also announced that on March 2 several vacancies in the executive staff will be filled.

Brief addresses were made by John H. Dykes, commander of the post; Earl Hamilton Smith of the Admiral Peary Post; R. E. Handy, director of the service bureau. New members were admitted as follows: J. F. Lavery, Henck Moeldrup, Edward A. Dellvam and Franklin I. Winter.

At the last meeting of the Henry C. Spangler Post, No. 12, American Legion, the members were addressed by Col. Alfred W. Beach of the George Martin Post, American Legion, No. 3, New Castle, Wyo. Capt. Charles B. Hamilton of the Tuscon Post, No. 174, American Legion, Buffalo, N. Y., told of the accomplishments of the American Legion in Buffalo and New York state generally.

Dozens of disabled emergency officers of the Army at Walter Reed, Mount Alto and other hospitals throughout the country are anxiously awaiting the opinion of the War Department upon the availability of the Bureau bill. This measure is framed to give the disabled emergency officers of the Army the same privileges as go to the disabled reserve officers of the Navy and marines and the regular officers of the Army and Navy.

The American Legion's military affairs committee gave its support to the general staff's plans on the military policy and the national legislative committee has presented a strong memorial to Secretary Weeks asking that the War Department support the Bureau bill. Similar action has been taken by the Veterans of Foreign Wars and the Disabled American Veterans.

Gen. Pershing's plea for the retirement of hundreds of the least efficient of the present regular officers as well as President Harding's pledge that nothing reasonable is to be overlooked in the treatment of the war's disabled are declared by the disabled veterans' leaders to be important factors in consideration of the report that Gen. Pershing and the other members of his staff must soon present to the Secretary of War.

Senator Irvine L. Lenroot of Wisconsin in addition to members of National Capital Post, No. 127, Veterans of Foreign Wars, at a ladies' night celebration at G. A. R. Hall Friday night announced he would vote for the soldiers' bonus.

Lieut. M. S. Stevenson was elected president of the 1st Division Men of Washington at a meeting Friday night at the Harrington Hotel. Other officers elected were: First vice president, Representative Ogden Mills of New York; second vice president, Brig. Gen. F. C. Marshall; third vice president, Kenneth Barber, secretary of Representative Conley of Illinois; secretary-treasurer, C. Ryan; directors, Col. Theodore Roosevelt, Anthony F. C. Lucas, Capt. C. S. Conlter, P. R. Minish, Sergt. David Friesel and J. A. Maloney.

Plans to give immediate assistance to 1st Division men seeking com-

## GASPARRI TO REMAIN.

Vatican Denies Cardinal Is to Be Displaced as Papal Secretary.

ROME, February 18.—With reference to a report recently circulated here that Cardinal Gasparri was to be replaced as papal secretary of state by Mgr. Corti, now papal nuncio at Paris, a brief official Vatican statement today said: "It is superfluous to state that such a report is absolutely unfounded. Cardinal Gasparri has not displayed any intention of leaving his high office, and he enjoys the complete confidence of Pope Pius, as he in the past enjoyed that of Pope Benedict."
